PLYMOUTH TUBE COMPANY ANNOUNCES SALES PARTNERSHIP WITH AUSTRALIA'S KARUAH VALLEY TRADING CO.

WARRENVILLE, IL – on December 11, 2009, Steve Bohnenkamp, Plymouth Tube Company's Vice President of Sales & Marketing, announced a new sales partnership with Karuah Valley Trading Co. Pty Ltd., located in Mount Samson, Australia.

The President of KVTC, Donald Broadbent, has spent most of his career selling to the Power Generation industry and will focus KVTC's selling efforts of Plymouth Tube in Australia, New Zealand, New Guinea and parts of Southeast.

Plymouth Tube Co. would like to extend a hearty welcome to their most recent international sales partner, KVTC.

About Plymouth Tube Co.

Plymouth Tube Co. is a global tube manufacturer for the energy market offering austenitic, ferritic and superferritic stainless steels sized .500" to 2" OD's, Carbon and Alloy Boiler tubing sized 1.250" to 5.563" OD's. Plymouth Tube proudly manufactures SEA-CURE® Condenser, XtraLowStress® Feedwater Heater, Boiler and Oil & Gas Tubing.

Headquartered in suburban Chicago with 11 manufacturing plants across the U.S., Plymouth Tube Co. is positioned for continued global growth supplying the aerospace, transportation, energy, and industrial markets. Additionally, Plymouth Tube Co. Chicago Processing offers coil slitting as well as a wide variety of specialty edging options. Plymouth recently celebrated its 85th anniversary serving the steel tubing industry with continued manufacturing excellence practices and technical expertise that promotes industrial partnerships with many of their customers.
