PLYMOUTH TUBE COMPANY ANNOUNCES NEW BOILER TUBE SALES TEAM

WARRENVILLE, IL – Steve Bohnenkamp, Plymouth Tube Company's Vice President, Sales and Marketing, announces new boiler tube sales team of Sue Hood and Dawn Phillips.

Sue Hood will act as Sales Associate assisting customers with application issues to offer innovative ideas to help increase efficiency. With over 26 years of experience in the steel industry, Sue will provide service to multiple levels of an organization to better uncover customer needs and new tubing solutions. Sue Hood has been a member of Plymouth Tube Co. as an inside sales representative for the past 5 years.

Dawn Phillips joins the team as Customer Service Representative providing quick response on order requests to insure high customer satisfaction. Dawn Phillips has been a member of Plymouth Tube Co. for 21 years and has experience at both the Hot Mill and Cold Draw mill in various departments such as finishing, inspection and cut off and most recently worked as Cold Draw materials coordinator.

Both will enhance the strategy of providing excellent customer service as intended by Plymouth Tube Company's approach to the power generation market.

Both Sue and Dawn can be reached via #630.393.3550 or via e-mail at shood@plymouth.com and dphillips@plymouth.com.

About Plymouth Tube Co.

Plymouth Tube Co. is a global tube manufacturer for the energy market offering austenitic, ferritic and superferritic stainless steels sized .500" to 2" OD, Carbon and Alloy Boiler tubing sized 1.250" to 5.563" OD. Plymouth Tube proudly manufactures SEA-CURE® Condenser, XtraLowStress® Feedwater Heater, Boiler and Oil & Gas Tubing.

Headquartered in suburban Chicago with 10 manufacturing plants across the U.S., Plymouth Tube Co. is positioned for continued global growth supplying the aerospace, transportation, energy, and industrial markets. Additionally, Plymouth Tube Co. Chicago Processing offers coil slitting as well as a wide variety of specialty edging options. Over the last five years Plymouth's sales revenue has more than doubled due to market share growth and strategic acquisitions.
