PLYMOUTH TUBE COMPANY OPENS REPRESENTATIVE OFFICE IN SHANGHAI, CHINA

WARRENVILLE, IL – Nao Kanda, Plymouth Tube Company's General Manager of International Affairs, announces that a new representative office has opened to further service the Asian region. The office located at Suite 908, No. 855, Ren-Min Road, in the Huai Huai Zhong Hua Building will be occupied by two new employees Jason Zhang and Yangan Peng who joined Plymouth Tube Co. earlier this year.

Jason Zhang, who holds a B.S. in Business Administration from Shanghai University, accepted the role as Shanghai Office Manager. With over 11 years of sales and marketing experience and international trading, Jason will enhance the presence of Plymouth Tube Co. in the China market. Annie Peng, who holds a B.S. in International Business and Trading from Shanghai Dianji University, accepted the role as Office Assistant. Both will report to Jonah Chao, Asia Regional Manager and will work closely to provide customer service in the China region. The Shanghai office will compliment the services provided to Asia already supported by Plymouth Tube Co.'s Taiwan and Japan representative offices.

Jason Zhang and Annie Peng can be reached via # 86-2163550756 or via e-mail at jzhang@plymouth.com and apeng@plymouth.com.

About Plymouth Tube Co.

Plymouth Tube Co. is a global tube manufacturer for the energy market offering austenitic, ferritic and superferritic stainless steels sized .500" to 2" OD's, Carbon and Alloy Boiler tubing sized 1.250" to 5.563" OD's. Plymouth Tube proudly manufactures SEA-CURE® Condenser, XtraLowStress™ Feedwater Heater, Boiler and Oil & Gas Tubing.

Headquartered in suburban Chicago with 10 manufacturing plants across the U.S., Plymouth Tube Co. is positioned for continued global growth supplying the aerospace, transportation, energy, and industrial markets. Additionally, Plymouth Tube Co. Chicago Processing offers coil slitting as well as a wide variety of specialty edging options. Over the last five years Plymouth's sales revenue has more than doubled due to market share growth and strategic acquisitions.
