

FABRICATION SERVICES

FTS: Fabricated Tube Solutions. Beyond the Tube.

MACHINING SERVICES DESIGNED WITH SUPPLY CHAIN IN MIND

Plymouth Tube Eupora offers tube processing and machining capabilities that allow you to streamline your supply chain. Tightly linked with the long length tubing you have come to rely on from Plymouth, FTS offers opportunities to consolidate your tube purchases and processing with one supplier. This eliminates shipping, scheduling and inventory issues, saving you money. Trust FTS to be your **One-Stop for Fabricated Tubing Solutions**.

ADVANTAGES:

- Shorter Supply Chain
- Faster Response
- In-house Technical Assistance
- Better Lead Times
- Single Point Quality Assurance
- Reduced Inventory

Leveraging Plymouth's extensive manufacturing capabilities and superior technical knowledge, FTS has the ability to provide products and services of various grades, standards and sizes **"Beyond the Tube"**.

COATINGS:

- Rust Preventative
- Lubricant
- FNC
