

PLYMOUTH TUBE CO USA®

Quality Policy Statement

Plymouth Tube Company

To Achieve Manufacturing Excellence in World Class Quality

Manufacture of seamless carbon and alloy steel tubing for mechanical, hydraulic, aircraft, aerospace, commercial, and automotive applications.

Our policy will be achieved through...

- Impressing our customers by providing added value and service.
- Implementing and following a quality management system that meets the requirements of ISO 9001 and IATF 16949 in order to comply with our customer's requirements.
- Applying a culture of continual improvement by setting quality objectives throughout the business to produce the best service to our customers, improve the Quality Management System (QMS) and meet our business objectives.
- Produce value to the customer.
- Adhere to all regulatory and statutory requirements.
- Communications of this policy to our employees.
